Items should be clean and in good condition – free of rips, holes or stains. **Return To The Ring** reserves the right to refuse any item and it is the responsibility of the consigner to pay for any item which has to be returned to them. Once an item is approved for consignment, we will advise you of the **Return To The Ring** suggested selling price. We use the following criteria for pricing items: your suggested selling price, the selling price of similar items, the demand for the item, the manufacturer and the condition of the item. The minimum consignment period is 6 months. If after 6 months your item does not sell at the agreed upon price – then a price adjustment may be necessary. **Return To The Ring** will contact you for approval of a price adjustment. If after 9 months your item has not been purchased – you will be contacted to discuss a further price reduction, the donation of the item to an equine charity or the return of the item to you at your cost.

Once an item sells, Return To The Ring will mail you, within 30 days, a cheque for 70% of the selling price for items above \$100.00 and 60% of the selling price for items \$100.00 and below.

Return To The Ring is not liable for loss or damage to any consigned item resulting from fire, flood, theft or any other cause.

Completion of the Consignment Form confirms your compliance with the terms of consignment above. THE CONSIGNMENT FORM MUST ACCOMPANY ALL ITEMS FOR CONSIGNMENT.
